

## Senior Legal Counsel

Location: Switzerland – Glattbrugg/Zurich  
Division: Legal and Compliance

### ABOUT YOU

At Vifor Pharma, we have an excellent opportunity for a Senior Legal Counsel, responsible for Pharma Operations, which includes key business areas such as Technical Operations, Drug Safety, Regulatory Affairs, Clinical and R&D. In this role, reporting directly to the Head Legal Pharma Operations, your responsibilities will include, but not limited to:

- Support Technical Operations, Drug Safety, Clinical and R&D on strategic legal questions and partner with main stakeholders on relevant topics
- Drafting and negotiating agreements relevant to Technical Operations & Drug Safety departments
- Drafting and negotiating Clinical Trial Agreements with industry sponsors, universities, clinical trial sites and managing CROs
- Drafting and negotiating agreements including informed consent forms, clinical supply, and other related clinical trial agreements
- Drafting and negotiating agreements for the R&D department, including research agreements
- Support the Head Legal Pharma Ops for legal support to the Technical Operations, Drug Safety, Regulatory Affairs, Clinical and R&D departments
- Collaborate with other legal colleagues on cross-functional topics and revise governance documents

For this role, we are looking for a reliable, trustworthy, solution-oriented candidate. Following requirements complete the ideal profile:

- Master Degree (or equivalent) in Law
- Preferred: LL.M. degree
- Preferred: Admission to the Bar
- 5-7 years PQE as practicing attorney in a law firm or in the pharmaceutical, biotechnology, or medical device industry
- Strong legal knowledge (industry standards governing marketing authorizations & clinical trials) International work exposure

### ABOUT US

At Vifor Pharma, we use our skills, dedication, and entrepreneurial spirit to offer innovative solutions in iron deficiency, nephrology and cardio-renal therapies, so we can help patients around the world live better, healthier lives. This is why we come to work every day.

Are you empowered to create a better world, and be part of life changing work? As a global pharmaceutical company, we offer the chance to be part of a worldwide team, where passion and commitment are met with opportunities for professional and personal development. Learn more at [viforpharma.com/career](https://viforpharma.com/career).

### WHAT YOU CAN EXPECT OF US

As we work to support patients, we also take care for our employees' professional and personal growth and well-being. We show appreciation and recognition through attractive benefits that will enhance your life, develop you, empower you to grow, and create your own career journey with us.

Including:

- Open, safe and inclusive culture that fosters creativity and unleashes individual potential, whether in laboratories, manufacturing sites, in the field, or offices
- Learning opportunities that enhances your skill set focused on business and personal effectiveness, leadership and management skills, and much more
- Flexible workplace environment, home office opportunities, competitive vacation entitlement
- Attractive financial participation schemes, adapted regionally, that provide employees with additional security for every life situation, including: Pension plans, participation schemes, and savings plans
